## THE FAR SIDE® 2026 OFF-THE-WALL CALENDAR

We’re breaking open the time capsule to revisit the calendar that quickly became the bestselling calendar of all time! The first *The Far Side® Off-The-Wall Calendar* was introduced 40 years ago and catapulted to be the perennial No. 1 bestselling calendar worldwide. To celebrate the anniversary of its debut in 1986, we present a slightly updated edition for 2026 featuring 365 days of beloved black and white classics.

- **UNPARALLELED CARTOON PHENOMENON:** With over 41 million books and 79 million calendars sold (let’s just round up to a bajillion), *The Far Side®* is unrivaled.
- **CONSISTENT BESTSELLER:** *The Far Side® Off-The-Wall Calendar* has been the world’s bestselling calendar for twenty-three years, and *The Far Side® 2021, 2022, 2023, and 2024 Off-The-Wall Calendars* were the No. 1 bestselling calendars in the U.S. per Bookscan.
- **UNIVERSAL APPEAL:** TheFarSide.com website and the return of *The Far Side® Off-The-Wall Calendar* have burnished *The Far Side®*’s iconic status and its popularity continues to flourish, as Larson’s work is embraced with enthusiasm by established and new generations of fans.
- **PLASTIC-FREE DESIGN:** In keeping with *The Far Side®*’s long history of utilizing the most sustainable and eco-friendly materials possible on their products, *The Far Side® Off-The-Wall Calendar* features a sturdy chipboard easel instead of a plastic one, making the entire calendar 100% fully recyclable!

THANK YEY 2026 DAY-TO-DAY CALENDAR

May your iced coffee be so good today that for five minutes you actually have hope.

From now on I identify as the government, because I am also constantly in shambles, I spend money I don't have on the useless things, and whenever I do set goals for myself, I procrastinate for months and it's a miracle if I do them at all. Thank Yew.

**Bill Kroen's  
GOLF TIP-A-DAY™**

Is there one hole on your course where you always seem to hit a great drive?

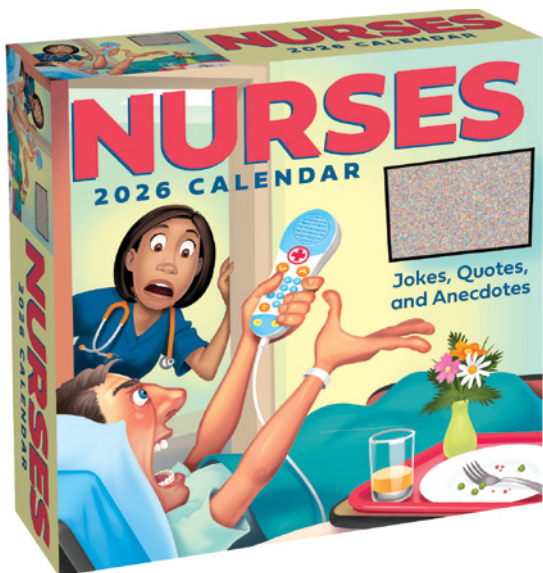

Most golfers have one or two holes on their home course where they hit great drives most of the time. Think about that hole and examine why it is that you have such success. Do you see a better line to your target, do you swing with more freedom, or do you make a tension free swing while feeling confident? The next time you play, try to imagine how you feel when you set up to hit your tee shot on your favorite hole. Try to recapture that feeling as you drive on other holes. You might visualize your favorite hole while playing a different one to see if it helps you to feel confident and free no matter what hole you are playing.

# Amber Lotus Sustainability

## MINDFULLY OFFSETTING OUR ENVIRONMENTAL IMPACT

**WE PLANT TREES**—more than ONE MILLION and growing!

Since 2009, Amber Lotus Publishing has been committed to reducing our carbon footprint and resource usage by planting trees. In our ongoing partnership with Trees for the Future, a nonprofit organization that provides resources and training for farming communities in five countries in sub-Saharan Africa, we've proudly financed the planting of over 1,250,000 trees.

### NO SINGLE-USE PLASTIC

To reduce plastic pollution, we have eliminated shrink wrap on our calendar products.

### SUSTAINABLY SOURCED

We use Forest Stewardship Council® (FSC®) certified paper. The FSC label certifies that the paper is sourced from wood harvested from socially and environmentally sustainable forests. We also print with eco-friendly soy-based ink, furthering our commitment to sustainability.

### CARBON OFFSET

One of the key benefits of planting trees as an offset strategy is their continuous removal of CO<sub>2</sub> from the atmosphere. According to Trees for the Future, the trees we've planted are projected to eliminate more than 45,000 metric tons of CO<sub>2</sub> over the next 20 years.

## COMING SOON ... BOOKS!

In 2025, Andrews McMeel will launch an Amber Lotus book imprint. The line will showcase the sacred aspects of everyday life—spirituality, healthy living, creativity, and connection with the natural world. Our goal is to produce books readers are proud to own and share: beautiful objects as well as wise companions.

We are also pleased to announce that through our commitment to producing goods with sustainability in mind, the books in the Amber Lotus book imprint will utilize FSC® certified paper and soy-based inks.

**MOON WATER**

*Moon water has become increasingly popular and can be especially useful to enhance specific areas of our lives. Moon water can be used by itself or as an ingredient in spell work to enhance your connection with specific energies or planetary times. Moon water is not just water that the moon has touched, and it's not something that should be made thoughtlessly during every full moon because it's trending. Moon water should be made intentionally, for specific purposes as a bridge between the planets, their energies, and your magick.*
